

ENJET AERO ANONYMOUS REPORTING

System

At Enjet

We are committed to maintaining a safe, ethical, and respectful workplace.

To support this commitment, we provide an Anonymous Reporting System that allows employees, customer, vendors, and contractors to raise concerns confidentially.

You may use this system to report:

- Workplace safety concerns
- Harassment or discrimination
- Violations of policies or procedures
- Unethical or unlawful behavior
- Any other concerns about our work environment or business practices.

Access the Anonymous Reporting System Here
